

Fall 2017

Dear Central Parents,

New fall After School Club setup! You can now register for BOTH Fall I and Fall II After School Clubs together. Attached you will find registration and class information for the Fall I and Fall II sessions of Central After School Clubs through the Wilmette Park District. Our **Fall I session** runs from **September 6 – October 13**. **Fall II** runs from **October 16 – December 22**. Classes are 4–9 weeks long, depending on the season and day of the week.

All participants can register through the Wilmette Park District starting on Tuesday, August 22 at 9:00 am. If you do not currently have a household account with the Park District, please set one up prior to August 22. Please note that this information is only on the Wilmette Park District website and not in our Explore Guide. **The registration deadline for both sessions will be two business days before the club is scheduled to start.**

The Park District will have an On-Site Coordinator at Central School from 3:00 pm through end of classes and pick-up. Children are expected to be picked up on-time. Parents will incur a late fee of \$10 for every ten minutes they are late to pick-up. To reach the On-Site Coordinator, please call 224-725-7290 starting at 3:00 pm, only while After School Clubs are in session. If you need to reach someone outside of the After School Club time, please contact Jen Bolich at 224-725-8217.

Students will be dismissed from their classroom and checked in at the cafeteria by the After School Club Coordinator immediately after 3:15 pm dismissal. Students registered for Friday classes will be supervised by school staff and must stay in school until the start of class. The children will be dismissed from the front entrance of school at the end of class.

****Please note:** After School Clubs are not guaranteed to run unless they meet their minimum registration requirement. Minimum requirements vary for each club. **Clubs are not meant to substitute for childcare.** In compliance with the school snack policy, children may only bring a fruit or vegetable snack to have prior to class starting. The Park District will not be providing any snacks.

If you have any questions please contact me at jbolich@wilpark.org.

Sincerely,

Jen Bolich
Recreation Activity Coordinator

Boys Break Dance by Chicago Loves Dance

Under the creative direction of skilled Chicago Loves Dance break dancers, students will learn choreography and poses show off their creativity in free-style sessions and more. Chicago Loves Dance runs on the philosophy that dance should open your child's creative abilities and be FUN! We pride ourselves on teaching the self-esteem and socialization needed in everyday life through the activity of dance and performance. The last day of the class will be a parent watch day where they will do a short performance to show off their new talents.

Chess Enrichment

Learn to play and enjoy the "sport of the mind" – Chess. This is an exciting class that takes the student to a new level of expertise. Whether they are beginners or continuing and competitive, the lessons are geared to enhance each student's level of play. Studies confirm that the student who plays and studies chess does better academically. Chess will develop analytical and critical thinking skills, decision making, and responsibility for choices, sportsmanship, focus, concentration, and patience in all they do. They will be studying opening theory, middle game planning and endgame combinations, plus tactics and strategies to enhance their skill set.

Cooking for Life

This program combines two of Creative Kids Corner's favorites. It features the hands-on, good tasting, and good for you Cooking for Life series while incorporating classes focusing on Pastry Decorating & Edible Art, which has become increasingly popular. Cooking for Life offers a new dish each week emphasizing fresh seasonal ingredients and calls on the students' emerging culinary skills and comfort with a wide variety of culinary tools. Pastry Decorating & Edible Art allows students to express their creativity by, for example, turning a pear into a rabbit or a cupcake into an action figure. Only fresh, high quality ingredients are used. This class will follow a nut-free curriculum. Additional food allergies, sensitivities, and special accommodations should be communicated immediately to Jen Bolich at jbolich@wilpark.org.

Craft Club

Are you the crafty, creative type? "Crafty Kid" is a next level craft club! Central's own Ms. Potakis will lead students in creating a new craft to bring home every week! We'll make a variety of projects including a seasonal decoration, a canvas art piece, and a mason jar craft, just to name a few! We'll also learn how to repurpose something old into something new. (If your child has taken Craft Club before, they will be able to make more advanced versions of some repeated crafts.) Supplies are included in fee.
