

Fall 2019

Dear Central Parents,

Attached you will find registration and class information for the fall session of After School Clubs through the Wilmette Park District. The Fall 1 session runs Tuesday, September 9 – Friday, October 18. The Fall 2 session runs Monday, October 21 – Friday, December 20. Please note the days off for each particular day. All participants can register through the Wilmette Park District starting on Tuesday, August 27 at 9:00 am. If you do not currently have a household account with the Park District, please set one up prior to this date. Please note that this information is only on the Wilmette Park District website and not in our Explore Guide. **The registration deadline will be two business days before the club is scheduled to start. Late registration will go onto a waitlist. You will be contacted if we are able to add your child into the club. Please do not let the waitlist deter you from registering; there may still be room to add your child into the class.**

The Park District will have an On-Site Coordinator from 3:00 pm through end of classes and pick-up. Children are to be picked up on time. Parents will incur a late fee of \$10 for every ten minutes they are late to pick-up. To reach the On-Site Coordinator, please call **224-725-7290** starting at 3:00 pm, only while After School Clubs are in session.

Students will be dismissed from their classroom and checked in at the cafeteria by the After School Club Coordinator immediately after 3:15 pm dismissal. Students registered for Friday classes will be supervised by school staff and brought to the cafeteria for check in at 3:15 pm. Participants must stay in school until the start of class. The children will be dismissed from the front entrance of school at the end of class.

****Please note:** After School Clubs are not guaranteed to run unless they meet their minimum registration requirement. Minimum requirements vary for each club. In compliance with the school snack policy, children may only bring a fruit or vegetable snack to have prior to class starting. The Park District will not be providing any snacks. Please see the attached schedule.

If you have any questions, please contact me at cjaffe@wilpark.org or 847-853-6297.

Sincerely,
Collin Jaffe
Recreation Activity Coordinator
Wilmette Park District

Wilmette Park District Central after School Club Program

**Registration Begins
Tuesday, August 27 at 9:00 am**

You may register in person at any
Wilmette Park District facility or at
www.wilmettepark.org

Culinary Adventures with Creative Kids Corner

This program combines two of Creative Kids Corner's favorites. It features the hands-on, good tasting and good for you cooking for Life series while incorporating classes focusing on Pastry Decorating & Edible Art, which has become increasingly popular. Cooking for Life offers a new dish each week emphasizing fresh seasonal ingredients and calls on the students' emerging culinary skills and comfort with a wide variety of culinary tools. Pastry Decorating & Edible Art allows students to express their creativity by, for example, turning a pear into a rabbit or a cupcake into an action figure. Only fresh, high quality ingredients are used. This class follows a nut-free curriculum. Food allergies and special accommodations please contact Collin Jaffe at cjaffe@wilpark.org immediately.

Let's Build It by Afterschool Enrichment

Enter into the fascinating world of robotics. In this exciting STEAM program, students will design, build and test their very own robots under the guidance of an experienced AES instructor. Projects include remote control cars, claws, cranes, crawlers, and battle bots. Educational components include gear ratios, mechanical design, electronics, and robotics engineering. No previous experience is necessary, just a desire to have fun, build, and learn. Each student will receive an award on the last day of the session, and have the opportunity to earn Energy Belts to demonstrate their learned skills!

Augmented Reality with Aurasma with Computer Explorers

Our exclusive new program introduces you to the 'magic' of Augmented Reality (AR). Talking newspapers like in Harry Potter, holding a NASA spacecraft in your hand and bringing your lip-syncing avatar to life will become your new augmented reality. Working in pairs, you will bring the static world to life, creating content-rich interactive experiences in 3D and even 4D with the help of avatars, 3D models, animations and your own creativity. This powerful technology allows you to create and publish your own Augmented Reality content.

Stage Stars by Afterschool Enrichment

It is your time to shine; it is acting time! In Stage Stars, children will learn theater terms, play games, and act in short skits. During theater games, students will use their creativity to communicate and improvise. The carefully selected skits are based on folk tales that teach cooperation and positive moral values. Every student will have the opportunity to play at least one lead role per session. In addition, Stage Stars participants can earn prizes for identifying and explaining parts of a skit and goals of the characters. Each child will receive a participation award.
