

Welcome to Room 114!

Dear Families,

Welcome to a great new year!! :) I wanted to send a quick note that might help dispel any confusion the first day/week of school.

- On the first day, remind your child to find his/her locker. While at his/her locker, practice opening and closing the locker door. (The handle slides sideways. Be careful. WATCH out for pinched fingers! OUCH!!)
- NEXT, enter the classroom quietly and find the assigned desk. Once found, any supplies can be tucked inside.
- After, locate a sheet on the desktop. Your child should

draw a detailed self-portrait. Pencil first and color second.

- You will also find a name tag and a checklist of what to do the first 15 minutes.

- **REMINDE your child how she/he will be getting home.** Tuck a note inside of his/her backpack if your child is nervous about this.
- Please send a healthy fruit or vegetable snack the first day. No avocado please.
- Lastly, please set an **EXACT** meeting spot for your child to lessen the stress of leaving. It is

suggested you use the side middle door facing 9th street. This is really close to our classroom and easy to get to... THANKS FOR YOUR HELP!!!

In closing, transitioning to first grade should be fun and without any additional stress. Following the listed tips will make a big, big difference moving forward in first grade. :)

See you all very soon!
Kindly,
Mrs. R.
