

ROOM 114

Dear New Friend,

Hi new first grader! My name is Mrs. Retzinger, and I am going to be your teacher this year. Mrs. Retzinger is a very long name, so if you want to, you can shorten it to Mrs. R. I am very excited about meeting you on the first day of school.

Starting a new school year can sometimes be a little scary. If you are worried, that's O.K.; everyone has those feelings when they start something new. Just remember that we will begin the school year together sharing in a promise to learn and learn as a CLASS! WOW!!!

I know you will love FIRST GRADE! :)

The classroom is warm and bright, and it will soon be decorated with your great smile. YEA!

At school, everyday will bring something new and wonderful to us. We will learn about books, books, and MORE BOOKS, numbers, maps, important leaders, earthworms, isopods, and all kinds of habitats. We will explore the world around us, experiment with, and ponder the weather system. We will also have a great time making new friends, working together on projects, spelling many new words, listening to and creating lots and LOTS of stories, helping in the classroom, solving problems together, **and learning that each of us is SPECIAL in our own way.** YA-HOO! It will be an amazing, wonderful, fantastic, and full-filled school year. :)

YEA!! :) Look for me in ROOM 114!!

Wow!

There are so many supplies to bring. Please look at the suggested schedule. If you purchased a school box, supplies will be separated at school.

I will look for your big smile, and you look for mine.
Lots of love,
Mrs. R.
