

Dear Second Grader,

I am so excited to be teaching 2nd grade this year, and I hope that you are excited too!

This is my 19th year teaching, and my 2nd year teaching 2nd grade. I can't wait to share every day with you! I've been busy this summer learning about what I am going to teach you—daily Reading and Writing workshops, Time, Money, and Measurement with Math, and All About the Sun, Moon, and Earth in Science. It will be so much fun!

I can't wait to meet you on Tuesday, September 5th, for our first half day of school. I am looking forward to learning right along side you this year!

Hugs,

Mrs. Fran Engstrom
