

Dear Third Grader and Family,

Welcome to 3rd grade! I am excited to begin my second year teaching at Central School and am looking forward to a fantastic year of growing and learning together!

This year will be full of **exploration** and **creativity**! We will **read** new genres, **write** imaginative stories, and **research** collaboratively. As third graders, you will take on even more responsibility for your learning. We will set goals, track our progress, and reflect on our growth.

I am looking forward to building a community with you all! I can't wait to meet you and begin a **fun-filled** year together. We will begin our learning journey together on **Tuesday September 5th**. Enjoy the rest of your summer vacation, see you soon!

Best,
Ms. Samborn

Parents:

I will be sharing an intake survey with you to learn more about your child. Please check our class website for a link to this survey. In addition, I would be happy to schedule an in-person intake conference during the first couple weeks of school if that would be preferred. Please contact me when school begins if you would like to schedule a conference. I am looking forward to getting to know you and working together to support your child!
