

Hi! I'm Mrs. Williams

Dear Third Grader and Family,

I want to welcome you to the family of Room 206! This is my fourth year at Central and I am so excited that we will be on this learning adventure together. In addition to teaching, I enjoy spending time with my wonderful husband, family, and friends, being active in my church, crafting, and antiquing. I am excited to learn more about what you enjoy doing outside of school.

Our first day together is Sept. 5th. Don't forget, it's a half-day. Also, we have a new start time this year! First bell will ring at 8:30 AM. Parents-Curriculum night for 3rd grade is scheduled for Sept. 19th. Mark your calendars! In addition to Curriculum Night, I will be holding optional intake conferences for parents in September so that I can learn more about each child. More information to come!

I encourage you to visit my classroom website. There you will find a "Back to School" tab. Click on the tab and please fill out a brief survey to help me get to know you better! Please have this survey completed by August 31st.

Enjoy the last few days of Summer Break and I'll see you soon!

Mrs. Williams

A few OF MY favorites:
