

Dear Second Grader,

I am so excited to be your 2nd grade teacher this year, and I hope that you are excited too!

This is my 20th year teaching, and my 3rd year teaching 2nd grade. I can't wait to share every day with you! I've been busy this summer traveling and getting ready for the school year. You might be wondering what you are going to learn about in 2nd grade. Our days will be filled with Reading, Writing, and Spelling workshops, Time, Money, and Measurement with Math, and All About the Sun and Moon, and Insects in Science. It will be so much fun!

I can't wait to meet you on Thursday, August 30th, for our first half day of school. I am looking forward to learning right along side you this year!

Hugs,

Mrs. Fran Engstrom
