

Welcome to 3rd Grade

Dear Future 3rd Graders and Families,

Welcome to third grade! I am looking forward to meeting you all very soon. I hope you are all enjoying your summer break. I can't wait to hear all about your adventures once the school year gets started!

This will be my 3rd year teaching at Central School, but I have been a classroom teacher for six years. The past two years I taught 4th grade at Central School, and before that I taught 2nd grade in Iowa. I am very excited to be transitioning with you all to 3rd grade. I have a feeling we are going to love it!

While I cannot wait to get to know you all, I'm sure you are wondering some things about me too. I grew up in a suburb outside of Des Moines, Iowa. I moved to Chicago two years ago and absolutely love it. In my free time I enjoy traveling, reading, spending time with my family and friends- not to mention my dog, Theo. I'm sure you will hear all about our adventures together as the year begins!

Your 3rd grade year is going to be spectacular! You will dive deep into many new reading genres, use your imagination to write stories, and research collaboratively. This year will be about our commitment to working together as a community; setting goals for growth, as well as being kind, respectful, and responsible learners.

Parents, please be on the lookout for information regarding an intake survey and an optional sign-up for an intake conference. I will be posting the survey link on my class website. I am looking forward to partnering with you all to ensure your child begins the year on a positive note!

3rd graders, I look forward to meeting you all and beginning this year's journey together. Enjoy the rest of your summer and get ready for a great year!

Best,
Mrs. Voss
