

Welcome to Kindergarten with Ms. Wingels

Hello, and welcome to kindergarten in Room 122! I am so looking forward to meeting you and learning all about you. We are going to have a wonderful year learning and growing together. My hope is that you will have fun, make new friends, and love learning this year.

I have taught kindergarten, first grade, and third grade at Central School. I also grew up in Wilmette and went to Central School too! I am looking forward to building a rewarding relationship with both you and your family, as well as having open lines of communication. This will be an integral part in helping you to learn, grow, and be most successful this year. Kindergarten is an exciting time and I am thrilled to be able to spend it with you and your family!

Please check the supply list on our classroom website and/or the Central School website to make sure that you have everything you need to start the school year. Please bring your supplies to school on Thursday, August 30th during our Meet & Greet. If you ordered supplies through the PTA, they will be waiting for you outside of our classroom that day.

Parents, please mark your calendar for Curriculum Night which will also be held on August 30th from 6:15-7:00pm in our classroom. At this time I will inform you of more specific curriculum and classroom related items. Until then, please check our classroom website for more information about the happenings in Room 122. Feel free to email me at wingelse@wilmette39.org if you have any questions!

The beginning of a new school year is exciting and fun. Together we are starting a fabulous adventure at Central School. I can't wait to meet you!

Sincerely,
Emily Wingels
